

JUNE 2017 NEWSLETTER

Welcome to your monthly newsletter.

First of all a really big thank you to everyone who made our Glastonbury party a huge success, in total so far we have raised £400.34 For those who didn't come along you missed out meeting Mickey Mouse and Minnie Mouse who came and had photographs with everyone and then finished off by making some shapes on the dance floor.

We had our lovely singer Millena who prepared a brilliant set, very Glastonbury themed.

We had lots of stalls selling home made items and again thank you to everyone who made something for us to sell or to those who have purchased

our items. There are still some more goodies for sale in Katherine House outside the office if you are interested.

We would like to say a thank you to Neil one of the resident's friends who provided us with lots of beautiful flowers for us to do our flower arranging. Everyone enjoyed this session and the flowers looked great for the party. Big thanks to you!!

Maybe meet the family??? We are hoping for our eggs that are currently in an incubator outside Vivienne the Managers office to successfully turn into little baby chicks. St Werburgh's city farm are coming back to provide another talk on the 10th July and also something which is called Candling, this is where we can see if there are any live little ones inside the eggs. This is all very exciting for us all! All being well we are then hoping to keep some of them and as you may have seen the chicken house that has been built and put up outside the front of Katherine House. At the moment we have some pretend chickens in there, so we must apologise for those of you who have been creeping up to the cage and wondering if you can see why the chickens are not moving or even checking why they are on their backs, after a windy spell! They are only models but the real McCoy will be hopefully with us soon. So watch out for real moving ones in the future.

Ahoy there sailors!! We all found our sea fairing feet and departed Katherine House on the 15th June for a lovely pub lunch in the Cottage Inn and then aboard a small vessel for a commentary from Colin who works for (Alive!), which was quite apt as we were hoping to come back! And we travelled all along the Bristol Harbour, this was a very good adventure and even had the marvellous Matthew sailing past us on the water. We waved to anyone who would wave back and had a jolly good afternoon. We have another sailing trip coming up on the 21st August where we can take a small amount of residents, whilst the boat company say it is suitable for all mobility's we felt it would only suit those steady on their feet. So please let the activities team know if you would be interested in this trip.

Welcome Annie! Who has been successful in obtaining the role as Activities Assistant for both homes. Annie worked in Griffiths House previously as a Care Worker. Annie's background is having a Degree in Acting and Performing Arts. Annie will be providing individual one to ones in the morning and a group activity in the afternoon. Please support her to feel welcome as

this is a very challenging but very rewarding role and we all need to work together.

Just to remind everyone Church Services are every Friday at 11.15am and the last Sunday of every month at 11.15am. We have the dates on the notice boards.

As discussed in our residents meeting the display on the dining room tables will be changing so you will have all your cutlery in the middle of the table kept in a pastel cutlery holder. You will then be responsible to lay your own tables and don't forget to help your fellow tablemates out if they are unable to do so.

Thanks for reading
Amanda, Annie & Rachel
(The Activities Team)
