

## NOVEMBER NEWSLETTER

Welcome to your favourite monthly newsletter by the Wellbeing team, have a look through, who knows there could be a photo of yourself in the newsletter. Relatives if you would like a photo please do let us know and we can email it to you. Please email us on any of the following emails [activities@katherinehouse.co.uk](mailto:activities@katherinehouse.co.uk) or [ahancox@katherinehouse.co.uk](mailto:ahancox@katherinehouse.co.uk)

### Men's Club

Paul Withers

A very big thank you to Paul for spending the time in putting on this beer tasting event for the Men's Evening.

The lads altogether in the upstairs lounge of Katherine House busy discussing & of course drinking the beer.

Cheers Lads!!

Paul Withers had spent lots of time wrapping up the beer bottles and then everyone had to taste the beer and guess what one it was..... what a great evening. Wish us ladies could of joined in!!

A big thank you to the staff of Katherine House & Griffiths House's husbands & boyfriends for coming in out of there own time to join all our male residents for a social evening. The event sparked off some memories about drinking certain beers. For example, Bill remembered drinking Peroni during the war, whilst stationed in Italy. Thanks to all who came it was a very successful event and made a nice change for our male members to get together. Thanks again lads it was very kind of you to come in and maybe if there are any male relatives that would like to come in one evening, we could arrange another one?

## Bristol Free School

We had our lovely group of students come in on one Tuesday afternoon to have some fun with chocolate. As you can see from the photos everyone got stuck in and helped one another to create a masterpiece!

## Children in Need

Thanks to all the staff at both Katherine House & Griffiths House for dressing up for Children In Need. All staff paid £1 to dress in yellow Pudsey bear wear. Here is our lovely Tracey & Kirsty showing off their finest bear wear!!

## Celebrations for the Queens & Prince Phillips Wedding Anniversary

Gosh which ones the real Queen?? Esme enjoying herself at this afternoon event.

Once again Bristol Free School Students and relatives joined us for a fun afternoon, the wellbeing team designed a Royal quiz and we all had a drink and fancy cake to celebrate. At the end of this session we got carried away with the toasts and kept toasting everyone.... Even one of the students said a toast saying 'Thank you to Katherine House & Griffiths

House for allowing Bristol Free School to visit' very touching we all felt quite emotional and asked the teacher how much he had given her to say this!!

The festive season is coming upon us, so we are getting ready for all our plans. Please note on Christmas Eve 2pm we are having a pantomime company and New Years Eve 2pm a sensory bubble party. Please note these are resident only events due to seating etc.

Thank you to everyone for donating items for our Christmas raffle, the draw will take place on Christmas Eve.

Look out for some interesting photos in Decembers Newsletter.... As a sneak preview guess who has been in the building???

Many thanks for reading

Happy Christmas!!

Amanda, Annie & Sabina
