

# Katherine House Griffiths House

## Newsletter

Wow what a great month of May we all had at both Katherine House & Griffiths House.

Where do we start?? Well the canaries arrived not just two but six of them, thanks to Michelle's Dad for rehoming them to us. Please do go and have a chat to them, there are two in the entrance corridor, two in the upstairs corridor and two in Griffiths House. They are all very different and have their own personalities. This is Edith with the ones at Katherine House in the corridor through the entrance. Keep singing to them Edith!!

We then had some fun when some Alpacas arrived at Katherine House for our VIPS to celebrate our Royal Wedding week of Megan & Harry. Everyone was really pleased to meet these two furry friends and have them walk around the home to see everyone. They even went in resident's rooms to have a chat and for a trip in our lift to visit the upstairs residents in Katherine House.

They were very well behaved and so were the Alpacas .... Haha.

Not sure who is more pleased to see who!!

Then we had a lovely Pets as Therapy dogs take part in a pretend wedding ceremony. Our lovely Annie (Activities) took the ceremony and read out the Bow Wow Vows that were written by our lovely Sabina. We have copies if anyone would like one.

Claire from a company called Musica came to Katherine House to provide us with a musical variety hour, as you can see Dorothy was delighted to be serenaded by Claire.

We are waiting for the Royal Wedding Garden Party photographs to come through, so this will be sent out on a separate document from our normal newsletter.

A day trip to the Concorde Museum in Filton was arranged to make one of our ladies at Katherine House dream come true, this was a fantastic and very emotional day. We had tears of joy when Patty Murdoch stepped onto the Concorde and walked down to the cockpit of the plane.

Patty's Dream Come True!!!

Thank you to everyone for joining in with our activities and trips, if anyone has a dream they would like to see come true then let the activities team know and we can wave our magic wands and see if we can make it happen.

Thanks

Amanda, Annie & Sabina  
(Activities Team)
